### *2009—2010*

*For more than fifty years our parish community has been a diverse community of people from many nations, united by their love of the Lord and their desire to put their love for him into practice by their service to others. We continue to look for new opportunities to grow in our knowledge of the faith, to deepen our relationship with God, and to use our talents and possessions in a way that builds up the kingdom of God. We especially seek to be a place of knowledge and inspiration to our children, and a place of loving care for those in need. We invite you to come join us! [OBJ]*
